

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 45

January 25, 2017

SUMMARY OF BILL: Deletes the requirement that local education agencies (LEAs) provide K-12 students with a specific amount of non-structured physical activity dependent on the students' grade level.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The tiered system of non-structured physical activity currently required by Tenn. Code Ann. § 49-6-1021 is in addition to the regular structured physical education, lifetime wellness, and health standards and curriculum which will remain in effect for K-12 schools pursuant to Tenn. Code Ann. § 49-1-1002.
- Removing the requirement for a tiered system of non-structured physical activity does not prohibit LEAs from incorporating or continuing such activities.
- Any decrease in local expenditures as a result of a reduction in LEA personnel or from purchasing less equipment for non-structured physical activity is estimated to be not significant.
- No change in the Basic Education Program (BEP) funding formula.
